SRI VEERENDRA PATIL (Chief Minister) [On behalf of SRI K. PUTTASWAMY (Minister for Law, Labour and Parliamentary Affairs)].—

(*a*) *Per capita* income cannot be estimated for different classes of population. Usually *per capita* income is computed either for the whole country or for the State. Therefore this information is not available.

(*b*) The cost of living index is computed only for certain important Industrial Centres. Consumer Price Index Number is being constructed by Labour Bureau, Simla for Kolar Gold Fields. The cost of Living Index No. for K.G.F. (base year 1960=100) was 173 for the month of December 1969.

SRI B. L. NARAYANASWAMY.- May I know whether information cannot be furnished at least on the basis of Agriculture Income Tax paid ?

SRI VEERENDRA PATIL.—The total income has to be divided. If we go to rural areas, the income differs from place to place.

SRI B. L. NARAYANASWAMY.—Are the Government aware of the per capita income ? Can the Government at least tell us the minimum wage paid in Kolar District though not the per capita income there ?
